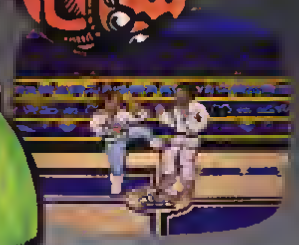
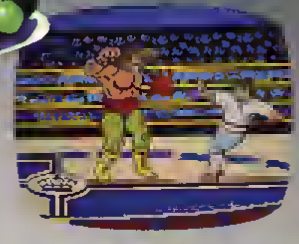
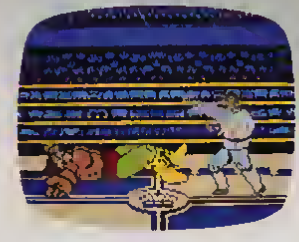
The SHANGHAI Kid™







The Exciting
FIGHTING MACHINE

Players enter a world of fast-paced tournament style action as they kick, slam, claw and power punch their way to victory against the enemy and the clock. Wrestling, kick-boxing and martial arts techniques combine for a challenging hand-to-hand fighting game in a colorful arena setting.

Skillful maneuvers of the joy stick, punch and kick buttons successfully advance the SHANGHAI KID to new arenas and tougher adversaries. Realistic sound effects include "count-down" by announcer/referee and crowd cheers.

Get your kicks and knock out more profits with the complete 'fighting machine' conversion kit.
